2019/20 SSP

SECTOR SKILLS PLAN | CONSULTATION SESSIONS

"Be part of the demand-led and evidence-based skills planning for the Wholesale and Retail Sector"

The W&RSETA invites all **W&RSETA employers as key stakeholders** to the 2019 annual SSP consultation sessions. The SETA will interact with stakeholders to solicit input on critical areas around skills development in preparation for the implementation of the National Skills Development Plan (NSDP) which include:

- Linking education and the workplace;
- Direct value-add skills development programmes
- Fourth Industrial Revolution;
- Youth employment creation and work experience;
- Identify and increase production of occupations in high demand;
- Improving the level of skills in the South African workforce
- Skills development support for entrepreneurship and cooperative development

Participation of key role players will ensure that the W&RSETA develops an SSP that reflects the skills priorities of the Wholesale and Retail Sector and allocates funding to address these priorities.
